FACILITIES:

The facilities being offered for rental include areas of the Mansion and/or selected portions of the lawn and gardens as described below:

Full house rental includes the first floor rooms, commercial kitchen and veranda, plus the second floor bride and groom rooms, including their own private rest room facilities. Also included are the immediate surrounding grounds which entail the grape arbor and gazebo. The conference room and lounge areas are available upon request. Please inquire with the Mansion staff for more information.

GROUNDS:

As Tarrywile Mansion is a municipal park of the City of Danbury, the grounds and gardens are open to the public. Mansion rental allows for the use of the immediate surrounding grounds only. Rental does not include the Mansion front lawn, orchard, Children's Garden or the area around the Carriage House which is a private residence. *Tents may be erected for events during the week or on weekends and may be on site prior or subsequent to the event for which they are intended. Therefore, a tent may be on the grounds during your use from a prior or subsequent use.*

APPOINTMENTS:

Due to the Mansion schedule, appointments to view the Mansion or visit with your caterer, florist, etc., should be made in advance with the Tarrywile Park & Mansion office staff. Appointments are available on weekdays, between the hours of 9:00 am and 4:00 pm and are dependent upon staff schedules. Please call before visiting.

RESERVATIONS/PAYMENTS:

Reservations are accepted up to 24 months in advance. All applications must be accompanied by a prearranged down payment. This down payment automatically becomes non-refundable seven (7) business days after it is received. The balance of the rental fee along with the security deposit and the liability insurance are due to the Tarrywile Park Authority office sixty (60) days prior to the event.

RESPONSIBILITY:

The individual who signs the application (contract) for use of the Mansions assumes all responsibility for the rental and will be noted as "User" in this contract. All payments, correspondence, liability insurance certificates, caterer license/hold harmless agreement and communications regarding the use of the mansion will be made through this individual.

User may also appoint a Designated Representative. The Authority office staff will notify this individual of any items left behind after the event, and/or damages or charges against the security deposit in the event that they are unable to contact the User.

GENERAL INFORMATION:

- The Tarrywile Park Authority is **not** responsible for personal belongings.
- Grill use may be permitted in the parking area located next to the kitchen door with prior approval of staff. Grill use or open flames are prohibited within the building and veranda areas.
- Smoking will be permitted on the veranda. Urns are available next to the front door for proper disposal of smoking materials. Smoking is strictly prohibited inside the Mansion.
- The uses of fireplaces are not allowed.
- No amplified music or dancing is allowed on the veranda at any time. Amplified music is restricted to the interior of the Mansion and in the designated tent sites with prior approval. - Rice, confetti, paper/fabric petals and flower petals are not allowed to be used inside Tarrywile mansion, or outside on the veranda. While bubbles and birdseed are allowed to be used on the grounds, they are not allowed on the veranda or in the Mansion at any time. **If there is evidence that any of the above items were used a cleaning fee will be incurred** to restore the building, veranda, or grounds to their original condition and will be charged against your security deposit. Please inform your DJ, if you are using one, that bubble and fog machines are also prohibited.
- People are not allowed to sit on the porch railings for reasons of personal safety and the structural integrity of the building.
- A coat closet is available on the second floor of the Mansion. Depending on the time of year and number of attendees, User may wish to arrange for a coat check person to help with the hanging of coats.

- The use of drones is prohibited by FAA regulations
- **Heaters are not allowed to be used on the veranda.**

PERIODS OF RENTAL:

As only one rental is allowed on each weekend day, the User may set his/her own hours of use within the following guidelines; rental time of Friday, Saturday, and Sunday is for a period not more than 9 hours of continuous use without additional charge. Curfew for a Friday, or Saturday is 12:00 midnight, Sunday is 11:00 pm. Additional hours can be purchased up to 1 week in advance of event for \$175 an hour. For weekday event (Monday thru Thursday), rental use hours begin as early as 7:00 am and end with an 11:00 pm curfew.

When the user plans the event, they must account for at least two hours for the caterer and vendors to set up and one hour for the caterer and vendors (including DJ's) to break down/clean up at the conclusion of the event. DJ's and bands must stop playing and begin packing up their equipment one hour before the end of the event rental time. Fail of said vendors to complete breakdown by end of rental time will result in an additional fee of \$250 an hour for any part of an hour past 15 minutes to be deducted from Users security deposit.

Use hours begin at the time the Mansion is opened for any reason; i.e. deliveries (other than rental items), florists, caterers and other vendors, and do not conclude until the User, guests, caterers, and help (including clean up) have left the mansion. Exceeding these hours will result in additional

charges as set forth in above paragraph. These additional charges will be deducted from the security deposit before mailing.

SECURITY DEPOSIT:

A refundable security deposit is required 60 days prior to the rental date and must be submitted as a separate check made out to Tarrywile. The deposit is to guarantee the satisfactory cleanup of the facilities and equipment, to cover any damage that may have been caused by the User, guests, caterers, or help (including clean up), and to cover any other charges that may be imposed under these rules and regulations. Since the Authority does not normally pursue specific claims against caterers, florists, guests and help, any such charges caused by them, which occurred during the User's event, will be deducted from the security deposit.

*****Please note: it is the customer's responsibility to comply with the Rules and Regulations as set forth in this packet and the failure of the House Supervisor to enforce a regulation does not imply consent and abdicate the right of TPA to retain the Security Deposit. Additionally, it is not the responsibility of the House Supervisor to notify the Customer that additional charges may be pending. *****

In the event proposed charges are to be made against the security deposit, the Authority will make every effort to contact either the User or the Designated Representative on the first business day after the event. A written notification of the Authority's intent to charge the security deposit shall be mailed/mailed to the User within 5 working days. The net security refund will be mailed to the User within 30 days after the event or, if applicable, when all charges have been determined, whichever is later. Charges in excess of the security deposit will be billed separately and, if not paid within 30 days, appropriate legal action will be taken. User will be liable for all costs of collection including reasonable attorney's fees to pay this debt.

FEES:

The fees for various facilities offered by the Tarrywile Park Authority are set forth on the fee schedule stated on the contract or use agreement. In the event of a rate increase, there will be no changes made to the fees imposed for the existing contracts. We offer a **5% discount** for all **active military duty** personnel in appreciation for their service. All checks must be made payable to Tarrywile. All returned checks are subject to a \$35 fee.

FINAL PAYMENTS:

The 60 day rental fee balance as well as the refundable security deposit payments must be submitted on **two separate checks** made out to Tarrywile. If submitted as one payment, the check will be returned to you with the request to reissue as two separate checks.

A separate cooking canopy may be allowed with the Fire Marshal's approval. No canopies or covered walkways may be erected on the driveway, in the parking lots, or over outdoor staircases.

DELIVERIES FOR THE TENT USE

User/Contracted Tent Rental Company is responsible for providing tables and chairs for use under the tents. All deliveries of items such as tables, chairs, dishes, glassware, silver, etc. must be placed in the Carriage House garage upon delivery. These items may not be under the tent area at any other time than during rental hours.

SET UP/INSPECTIONS

For weekend rental, tents are to be erected on the Thursday prior to the event with inspections scheduled with the Danbury Building Department and the Fire Marshal's office no later than 3:00 pm on that same date. Tents must be taken down on Monday of the week following the event. If Monday is a holiday then the tent will be taken down on Tuesday following the event. No tent will be permitted to be taken down on the weekend. Tent installation and/or take down can start no earlier than 8:30 am.

For weekday rental, tents are to be erected prior to the event leaving sufficient time prior to the event for inspections to be scheduled with the Building Department and Fire Marshal's office.

PERMITS/REGULATIONS

User must obtain and provide the Tarrywile Authority office with a copy of the Building Permit for the tent no later than 14 days prior to the event, with a confirmation of scheduling of an inspection with the Building Department and Fire Marshal's office no later than 7 days prior to the event.

User/Contracted Tent Company must comply with all building Department and Fire Department regulations and codes concerning the erection and use of tent structures, including but not limited to tent capacities and the installation of the required number of exit and no smoking signs, fire extinguishers, and auxiliary lighting if the event is to take place at dusk. The Building Permit is to be properly displayed under the tent and should be protected by plastic coating to insure against water damage.

Tent use is allowed from May 1st through September 30th. Approval for tent use October 1st through April 30th will be given at the discretion of the staff after consultation with the Fire Marshal's office to ensure compliance with house capacities.

When hiring your caterer, DJ/Band and or Tent Company for an outdoor event, please keep in mind the electrical needs of all vendors. Each tent site has electrical outlets for such use but it is not an unlimited supply.
